LOAVES AND FISHES

It has been our pleasure serving families in our town for the last two years, providing food bags during each school holiday.

For a number of reasons, the way 'Loaves and Fishes' has looked more recently has been different. Beginning last summer holiday, families have approached us as and when they need help with feeding their families and we have put together a bag of store cupboard essentials in order to meet that need. Families have been encouraged to tell friends in need about this provision too.

You can be assured that your kind and generous monetary donations to this work will continue to be used to help the families who need it. Families can contact karen@rossbaptist.org or text on 07384593729 for an essentials bag.

Ross Baptist Church for Families

Can you help this summer?

For the first two weeks in August families will collect a food bag from me at the church office as usual each Wednesday morning. However, I am on holiday and not available on **Wednesday 24th** and **Wednesday 31st August** to be at the office to distribute the food bags. Bags will be made up and ready for collection but I need some willing volunteers please to be at the church office for families to collect bags as usual. If you are willing and able to do this, I, and the families, will be so grateful.

Contact karen@rossbaptist.org if you are available to help.

The service is broadcast live on YouTube. Please sit after the third row if you do not want to appear on the video.

On Saturday 9 July we had Youth Wide Games on Rope Walk. Due to the very hot weather the numbers were reduced but we had fun playing rounders, quick cricket and with frisbees. The ice lollies were very welcome.

Last Sunday at 4 we had a great time looking at Missions. Pansy shared some of her experiences and then Alan and Pauline shared some of theirs. There were songs, tea and cakes. Peter Metcalfe led very gently and very well. It was worth missing the tennis.

PLEASE CAN WE ENCOURAGE YOU TO BE CAREFUL ABOUT LEAVING PERSONAL ITEMS UNATTENDED - THANK YOU.

A hearing aid induction loop is available. To use turn your hearing aid to the T-

As well as normal donations, please would you scour you cupboards and sources for school bags, stationery and uniforms as it would be great to have a back to school table or 2. If any of you have school links- would you be able to approach admin to see if they are willing to donate the lost property bin contents!

The **year 10+ group** has gone through a change. We have been a small group this year but have invited a lot of new ones who will be in year 10 and above from September. We ended the small group with a big monopoly game and our amazing chef, Jason, cooked pizza from scratch. It tasted even better than it looked.

Message from Ross Refugee Support Group:

There is a large family looking for a host family. The situation is that the father is living in a caravan and working at Cobrey farm, the mother and three children are being hosted by a couple in Coughton. The hosting couple have told the mother that they will have to move after three months, when the father will be jobless and homeless. If anyone is able to host a large family, please contact Margaret admin@rossrefugeesupport.org.uk.

On Wednesday the youth group ended our Marvel series by looking at Spiderman. He was told "With Great Power comes great responsibility." We compared this to Adam and Eve who had great power to stop sin but who failed and to Jesus who never sinned and died in our place who showed his great power and great responsibility. The photos show us playing a team game at the start of the evening.
