Coffee morning has raised £165.18 for Chengelo Educational Trust in Zambia. Thank you for your generosity.

Coffee morning is now raising money to buy Bibles for students at the Bible Training College where Alan Jordan teaches in Northern Kenya. The students do have Bibles, but usually a strangely cheap version. The course Alan

teaches links most of the time to the NIV version. Sadly most of the students in the north don't have a smart phone, they just have little (brick) types which can't have an app to download NIV.
